# FROM THE FARM

2021 / 2022

---

We are happy to work with Nordic flavours and we love to fill our baskets with fresh food from our local food producers. Together with our providers we are able to serve you the best of Jämtland, and we are proud to share the love of Åre and its amazing tastes with you.

Our menu From The Farm is built on a strong love for our Swedish cultural food heritage. We are inspired by the small plots of land surrounding us, claiming space wherever possible and filling our senses with a calm ease and a longing for a moment together.
