

COPPERHILL MOUNTAIN LODGE

WOOD & LAKES

2021 / 2022

We are happy to work with Nordic flavours and we love to fill our baskets with fresh food from our local food producers. Together with our providers we are able to serve you the best of Jämtland, and we are proud to share the love of Åre and its amazing tastes with you.

Our menu Woods and Lakes is built on a strong feeling for our Swedish cultural food heritage. We are inspired by the silent woods surrounding us, opening up in a small lake and filling our senses with a calm ease and a longing for a moment together.
